Volk Wooden Armrest

For Slit Lamp Examination

Only £29.95

- Ideal for keeping your arm in a steady position whilst using Volk lens with slit lamp.
- A quality product from Oculus made of wood from the Elder Tree and known for its hardness and durability when making craft items.
- Has a base (for protecting) the wooden rest that can be removed. Both the base and rest have plastic studs for firmness.
- Height of armrest without base cover 6 cm

PRODUCT	PRICE	PRODUCT REFERENCE
Volk Wooden Armrest	£29.95	LS65766

Volk Lens Precision Cleaner

24 cleaners in each box

From only £13.95 per box

- Recommended for Volk AR coated lens and precision optical surfaces
- Special highly absorbent lint-free moistened cleaner which contains a combination of oil removers and cleaning agents
- Lens clean and dry instantly
- Restores light transmission to maximum levels for optimum lens performance
