FINALIST AOP AWARDS 2018

MARKETING INITIATIVE OF THE YEAR

Frame on front cover: Icy 806, C1 Lavender, 47□19-137 (Page 35)
For 70 years, Louis Stone Optical (a 100% family owned company) in the UK, has been supplying spectacle frames, cases, cloths and instruments to the optical industry worldwide.

The release of this catalogue (which can also be downloaded online) contains over 70 new models including several in our very popular hi range of child and teen frames.

We constantly pay attention to designs and materials that not only stay on trend and look attractive in your practice, but most significantly provide a good fit combined with comfort and durability.

All spectacle frame ranges (Icy, i wear, hi, and Traditionals) are handled and checked in-house via an experienced logistics and warehouse team and our sales team can advise you of our current best sellers.

Our pricing has been described on many occasions by our customer accounts as very competitive due to our exclusive priced quantity discount bands.

Stocks are monitored on a daily basis, and our main aim is to send out all orders (if items in stock) made before 3.30 pm on the day via either courier or the Royal Mail.

If you require any further frame information or on cases, cloths and optical instruments please contact us via info@louisstone.co.uk or phone our dedicated sales team on 029 2073 5293.

Thank you to all our customers for their valued support and a big welcome to all prospective customers!

Customer satisfaction is paramount, so if you are not satisfied with any product, please contact us immediately on sales@louisstone.co.uk.

"Many thanks, much appreciated, may I take this chance to thank you all, at Louis Stone, for your excellent service. Your customer service, including and especially through the tough days of lockdown, has always been exceptional. Every time we ring with a query we are greeted with a warm welcome. It is always a pleasure to do business with you. Please pass on my thanks to everyone"

SEE ORDER FORM FOR ADDITIONAL DETAILS

Free of Charge
Welcome to hi wear, a range suitable for children and teenagers. Lots of adults who require a small eye fitting also love them as well! hi 1-22 are manufactured in TR90 a lightweight and rubber touch material. This range is unique as most models (hi 1-17) come with 180° frame temples that can be adjusted (with care) a must for kids frames. They are easy to glaze (always cold glaze*) and sizes start from a 38 eye. The flexibility of TR90 makes it harder to break if dropped.

*If unsure of how to glaze please contact us.

- Superlight TR90 material
- 180°Flexi sides that stretch
- Temples that can be adjusted/shortened
- Temple Tip Holes on all models hi 1-21 for silicon safety band fitting
- A range of cool colours to choose from
- Order 500 assorted frames for a 50% discount
TR90 is a thermoplastic material that was produced using innovative Swiss Technology. It’s incredibly durable, flexible and lightweight which makes it an ideal material for children’s frames. It is extremely resilient to damage.

- Unique flexi temples that can be adjusted/shortened
- Easy to glaze
- Pliable material make hi frames less likely to break or distort if dropped
- Suitable for children with visual difficulties
- Small eye sizes

**Glazing Tip** When adjusting hi 100/101/102 metal frames always use a good quality cutting plier for best results.
Due to demand we have also included adult style frames from our Icy Range in this section as they have proved very popular with teens due to style, colour and size.

ORDERING

- We are currently updating our website so please order by either phoning our sales team, emailing or faxing us.
- All orders are delivered with an invoice.

UK NEW ACCOUNTS

- For all new accounts first order must be for a minimum of 30 frames. Please go to www.louisstone.co.uk/enquiries

FRAME GUARANTEE

- All Louis Stone frames are guaranteed for 12 months against faulty workmanship or materials.
- For further information regarding our frame guarantee and returns process (RMA) please go to www.louisstone.co.uk/RMA
- Also refer to our tips on glazing and adjustment of frames on this page.
- Should you need any advice on glazing / adjusting of any frames in our range email info@louisstone.co.uk with your enquiry.

EXPORT ORDERS

- Make a minimum order of 50 frames + and a pro forma invoice will be sent to you by return.
- Please provide full invoice/delivery address (any zip/postcode) a contact name and telephone/email details.
- All export orders are sent via courier.
- VAT is not charged on orders, but you are responsible for any local charges/fees made in country of delivery.

INTELLECTUAL PROPERTY & PRICING

- All pictures/images/logo/text and graphic design in this catalogue must be approved by Louis Stone Optical Ltd. Any reproduction of this content must be approved by Louis Stone Optical Ltd.
- Frames cannot be sent on sale or return/approval.
- Authorization is required in first instance before returning any goods. Contact RMA@louisstone.co.uk quoting invoice number/date, and your practice information. Frames will be credited at current prices less any discounts.

REDUCE PATIENT FRAME RETURNS BY ADVISING PATIENT ON RECEIPT OF THEIR FRAMES

- Put on and take off your new spectacles with both hands
- When not in use always keep your spectacles in a secure case
- Do not put your spectacles on a surface lens downwards
- Clean lens only with a quality micro fibre lens cloth, but not with hard pressure. Less pressure = cleaner lens. Hard pressure can damage lens
- Do not adjust or attempt any repairs on your spectacles, instead come to your optician’s practice immediately for assistance

FOLLOW THESE GLAZING/ADJUSTMENT INSTRUCTIONS

Always assess material of frame before attempting glazing and adjustments. Certain frames will require a certain heat setting.

PLASTIC FRAMES

1. To ensure a good lens shape, check shape of the demo lens, and if a good fit remove from frame and scan as if glazing a supra or rimless frame. We always suggest using this process if using a tracer method for ordering lens. When removing demo lens use heat for 10-15 seconds, but do not leave heater unattended. This will prevent chipping or buckling of frame.

2. Glaze as normal providing demo is a good size, if not size up accordingly. Oversizing of a lens leads to cracking of frame bridge when lens is forced into lens groove.

3. Hand edge front and back lens surface (failing to do this will scratch the paint off the front of the frame). Make sure lens size is appropriate for frame. Forcing a lens into eye rim without properly sizing (including edging/polishing where necessary) will cause frame to break. Incorrect sizing will not be considered as a frame material/manufacturing fault.

4. Always use correct heat level (or no heat) by assessing frame material before glazing. Excessive heat will blister frame, insufficient heat could cause frame to break.

5. Clean as normal but take care with what lens cleaner you use as this can sometimes mark plastic frames. Always refer to manufacturer’s lens cleaner information.

METAL FRAMES

1. Always use adjusting pliers with plastic jaws (to prevent scratching on temples). Pliers should be positioned where corner of frame front and lug meet.

2. Flexi (Spring) temple joint adjustments must be done with extreme care.

3. Use mild heat when adjusting temple tips, but always assess tip material prior to using heat.

4. When removing/replacing rim screws, always use a good quality screw driver

TERMS & CONDITIONS

- Standard trading terms and payment terms apply and are available on request.
- Unless agreed all invoices are monthly nett and E&OE.
- An order made by phone, email or fax will constitute as a contract to purchase items from Louis Stone Optical Ltd.
- Frame back orders of 50 pcs+ will be sent no charge. If you do not want back orders, please mention when ordering.

- Payment can be made by cheque, bank transfer or credit card.
- Frames cannot be sent on sale or return/approval.
- Any promotions cannot be used in conjunction with any other offers or special current frame quantity purchase agreements.
